

The United Nations Association:
London & SE Region and the Canterbury Branch

Invite You to our Spring Conference

Sustainable Development and the Natural World

**Designed to celebrate Earth Day¹, this will be
Held in St. Peter's Methodist Church and Hall²,
St. Peter's Street, Canterbury, CT1 2BE
On Saturday 16 April 2011, 12.45 – 5.30 pm**

Summary Programme

Following registration, the Seminar opens at 1.15pm with three specialist speakers who will assist us to explore how we may reconcile the conflicts between the Earth's eco-cycles and systems and the socio-economic needs of human development.

We will break at 3.15pm for a substantial tea and networking. The workshop session begins at 4.00pm when we will address the issues raised in the speaker session. We will report back in plenary at 4.45pm. The seminar concludes with a summary of the outcomes of the afternoon and closes at 5.30pm

All are Welcome

Admission is free but a small donation towards costs would be welcome

RSVP

For the Conference and/or for more Information,
Please Contact Sheila Kesby, Secretary UNA-Canterbury
Tel: 01227-463968 or 07765915173 Email: s.kesby339@btinternet.com

Notes

1) Earth Day, 22 April, falls on Good Friday this year, so the nearest Saturday has been selected

2) Beginning at the Westgate Towers, St. Peter's Street is continuous with the High Street in the pedestrianised City Centre. The Church is close to car parks, park & ride, bus routes and is equi-distance from the East (Victoria Line) and West (Charing Cross Line) Railway Stations. It is also close to the Westgate Gardens and many cafes and restaurants.
